Who We Are..

Aneela Facilities Managements & HR Services.

Dubai which deals in Executive Search and is following the path to provide the highest assistance in the management recruitment services. We provide employment facilitation both for senior level and executive categories and are categorized among the few renowned Executive Search Recruitment Companies.

Our strong relationship bond with our respectable clients has become a major reason behind our success. Moreover, we thoroughly investigate their requirement before initiating any process of selection and recruitment. Their corporate culture and demand are well-understood by our recruitment supervisors, and then accurate and meticulous searching approach is followed. We have a strong database available of over ten thousand candidate's profile holding sufficient knowledge of the business industry and are well-informed about its functioning process. Apart from this, we have several other sources to cater the needs of our foreign delegates with supreme excellence and provide them with the best talent in the region.

EMPLOYERS

How we work with you

We at Aneela FM & HR know that successful recruitment has three key strands: The understanding of a client's demand, offer dedicated, specialist insight into individual vertical markets, and making the right connections to provide a competitive edge. As you register and become a client to us, we will commit to fulfil all of these important briefs in order to achieve your immediate business needs, as well as your long-term goals. We make mutual beneficial matches between job seekers and our corporate clients, and we go extra miles to ensure party satisfies the needs and expectations of others. We gather needs of both corporate clients and job seekers to better understand the specific needs of each, and then using proprietary recruitment techniques to recommend the most suitable candidate for the role. Your services are specifically designed to meet your individual requirements. We support our individual requirements. We support our corporate client in identifying, engaging and selecting the strongest candidates for any position, and work with our clients as trusted advisors.

JOB SEEKERS

Aneela FM & HR, care much more than filling vacancies and ticking boxes- we build talents careers. We make it our business to connect our candidates with the right opportunities and corporate clients that fits well their talents, education and Exp. We ensure we place you in the right place. Our strong partnerships with the UAE's leading corporate clients and our unique, personal approach to Recruitments.
